Konfurb Harmony

Drafting Chair

The Konfurb Harmony Drafting is an active seating office chair that is designed to improve posture by encouraging natural movement and flexibility. Featuring a contoured moulded shell for superior comfort with the option to add custom fabric to the seat pad, for a stylish award-winning designer office chair. Perfect for collaborative bar leaner breakout spaces. The architectural gas lift for extra height paired with the swivel base, makes this office chair popular in schools and training colleges to create a tiered theatre-type learning environment.

Quality Assurance and Accreditations.

Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand.
^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
