CARE & MAINTENANCE

GENERAL CARE

To maintain the appearance of non-upholstered parts wipe the surface with a clean cloth dampened with a mild detergent solution.
Do not remove any parts for separate cleaning.
Do not saturate the fabric or interior with water or other cleaning liquids.
Do not shampoo clean.
Do not clean with hot water extraction machine.
Do not clean with onsite drycleaning machine.
Protect from direct sunlight, heat and weather.

FABRIC CARE

Wipe with a clean cloth dampened with a mild upholstery detergent solution.
A soft bristle brush may be used to remove ingrained soil.
Spot clean as above.
Treat spills and stains as soon as possible.
Persistent stains may require treatment by a professional cleaner.
May be cleaned with dry powder cleaners.
Allow to dry thoroughly before reuse.

PREVENTATIVE MAINTENANCE & WARNING!

- Use this product only for seating one person at a time.
- Do not use this chair as a step stool/ladder.
- Do not sit on any part of the chair except the seat.
- Do not use this chair on uneven floor surfaces.
- Do not interfere with the operating of the gas lift.
- Do not use chair unless all bolts, screws and knobs are tight. At least every six months check all bolts, screws and knobs to ensure they are tight.
- If any parts are missing, broken, damaged or worn do not use the product until repairs are made using factory authorised parts.
- Dispose of packaging properly.
- Plastic bags used for packaging are not toys.
- Do not use plastic bag as a head covering as it may cause suffocation.
- Failure to follow these warnings could result in serious injury.
