## **BURO METRO ENHANCEMENTS**

#### Ergonomically better for you:

Enhanced lumbar support through a unique mesh tensioning system.

"The even distribution of contact pressure felt on the upper lumbar and lower thoracic spine, provides extra support for good posture, reduced tension and improved circulation."

- Andrew Wilson, Ergonomist & Osteopath

Don't be fooled by imitations: Look for the 'Metro by Buro Seating' quality ID mark.

## DESCRIPTION

The best just got even better! Introducing the enhanced Buro Metro. With a redesigned mesh back featuring a new soft feel mesh and the Buro quality ID mark, the improved Buro Metro is superb.

The Buro Metro chair is supported by the following internationally recognised standards:

- AFRDI Level 6 Severe Commercial Certification
- GreenGuard Certification
- Australian Physiotherapy Association (APA) endorsed

## **Material Analysis**

Buro Seating acknowledges its responsibility to develop environmentally sustainable products and business practices and consequently is committed to growing our range of chairs which are manufactured from recycled and/or recyclable materials. Buro's environmental management system (EMS) provides the framework for managing our environmental strategy;

### MAIN PRINCIPLES

- To design products and processes that utilize minimal raw materials.
- To design products with a minimum end of life recyclability of 80% in NZ and Australia.
- To reduce, reuse and recycle waste.
- To develop an understanding of legislation relating to the environment and affecting the activities of our company.

Buro is committed to developing a "cradle to grave" process for all seating products wholesaled in NZ and Australia.
