

Metro II *Connect*

Metro II Connect - Architectural

DESCRIPTION

The Buro Metro II Connect is one of the latest editions to the successful Metro II family; Quality, Comfort & simplicity are just some of its enduring features. Ideal for use in either home or heavy duty commercial environments such as offices, institutions & 'Touch Down' areas where immediate comfort with minimal adjustment is paramount. The Metro II Connect Architectural is suitable for commercial working applications such as office, warehouse, customer service, architectural & laboratory technicians.

Material Analysis

Buro Seating acknowledges its responsibility to develop environmentally sustainable products and business practices and consequently is committed to growing our range of chairs which are manufactured from recycled and/or recyclable materials. Buro’s environmental management system (EMS) provides the framework for managing our environmental strategy;

MAIN PRINCIPLES

- To design products and processes that utilize minimal raw materials.
- To design products with a minimum end of life recyclability of 80% in NZ and Australia.
- To reduce, reuse and recycle waste.
- To develop an understanding of legislation relating to the environment and affecting the activities of our company.

Buro is committed to developing a “cradle to grave” process for all seating products wholesaled in NZ and Australia.
