

Metro II (Nylon Base)

SafeTex

Endorsed by:

Buro Metro II - Olive SafeTex

Buro Metro II - Cobalt SafeTex

Buro Metro II - Charcoal SafeTex

DESCRIPTION

Introducing the Buro Metro II with SafeTex antibacterial upholstery. Buro SafeTex upholstery contains a surface inhospitable to key bacteria and mould, making this a weapon against staining, unpleasant and premature degradation that can affect the durability, lifespan and hygiene of your chair.

Buro SafeTex fabric includes an anti-bacterial additive which is applied to the fabric texture by the textile mill during the dyeing process, thereby providing an anti-bacterial efficacy which prevents the presence or growth of key bacteria.

SPECIFICATIONS (MM)

Overall size: 630w / 610d / 995h
Back size: 470w / 530h
Seat size: 520w / 490d
Seat height: 470-600h

Material Analysis

Buro Seating acknowledges its responsibility to develop environmentally sustainable products and business practices and consequently is committed to growing our range of chairs which are manufactured from recycled and/or recyclable materials. Buro's environmental management system (EMS) provides the framework for managing our environmental strategy;

MAIN PRINCIPLES

- To design products and processes that utilize minimal raw materials.
- To design products with a minimum end of life recyclability of 80% in NZ and Australia.
- To reduce, reuse and recycle waste.
- To develop an understanding of legislation relating to the environment and affecting the activities of our company.

Buro is committed to developing a "cradle to grave" process for all seating products wholesaled in NZ and Australia.
