# Konfurb Arco.

Dynamic versatility.

Introducing the Konfurb Arco Series, an agile modular seating system with exceptional design and versatility. This series allows you to create dynamic environments that can effortlessly transform from collaborative hubs to individual workstations or relaxation areas. Create your own innovative workspace with a relaxed ambience by selecting a seating module of your choice. Choose from our range of five seating pieces, with straight or curved forms, and with or without a backrest. This modular approach enables easy reconfiguration to suit various purposes and as you need.

# Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture\* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

**Buro** proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.  
[www.greeningaustralia.org.au](http://www.greeningaustralia.org.au)

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

\*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand.

^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
